

Café Sci2 Wednesday 7 December 2011

at Brooklyn's

<http://www.brooklynsrestaurants.com/>

901 Auraria Parkway, Denver, across Auraria Parkway from the Auraria campus

***Species in Crisis:***  
**Polar Bears, Bees, and Amphibians**

**Kevin Fitzgerald, PhD, DVM, Alameda East Veterinary Hospital**

Forget the hype. A fresh look at the real deal affecting some much publicized animals. Nothing but the facts, ma'am. The most recent evidence involving the problems faced by these species will be introduced. Dr. Fitzgerald will include first-hand experience with these precious animals.

***EVERYONE IS WELCOME.*** The discussion starts at 6:30 in upstairs lounge area. Come before 6 PM to leave yourself time to get something to eat. We end around 8 PM.

There's no charge. Brooklyn's is generously providing the facility; we buy our own food & drinks. It is first come, first seated, and **seating is limited** so that everyone can take part in the discussion. Parking cheap or free in Pepsi Center lot SW of Brooklyn's. Mention the Café !

We welcome your input, including ideas for speakers and topics. Bring them with you to the next Café, or e-mail them and any questions to [ericM@iqwired.net](mailto:ericM@iqwired.net)

**Essential information about the topic and the event on our Web site at:**
